The rationale for the merger and scheme related details, are forming part of the Letter to unitholders.

The Board of Directors of Navi AMC Limited and Navi Trustee Limited on December 09, 2025 and December 10, 2025 have approved the above proposal for merger of Navi ELSS Tax Saver Fund into Navi ELSS Tax Saver Nifty 50 Index Fund. Further, SEBI, vide email dated February 26, 2026 has provided it's no objection to the aforesaid proposal.

In accordance with Regulation 18(15A) of the SEBI (Mutual Funds) Regulations, 1996, all the existing unit holders under the Merging Scheme are given an option to exit the Scheme at the applicable Net Asset Value without any on such redemption. This option shall be valid for a period of 30 days.

The Effective date for the merger/consolidation of schemes will be April 10, 2026 from close of business hours.

The exit option will be available to all the unit holders of Navi ELSS Tax Saver Fund (Merging Scheme). The option to exit without exit load can be exercised from March 10, 2026 to April 09, 2026 both days inclusive) ("Exit Option Period") within the respective scheme cut-off timelines. All transaction requests received after April 09, 2026 (up to 3:00 p.m.), subject to load, as may be prevailing at that time in the Scheme.

Please note that unit holders of the Merging Scheme who do not opt for redemption on or before April 09, 2026 (up to 3:00 p.m.) shall be deemed to have consented to the changes specified in this notice and shall continue to hold units in the Surviving Scheme.

In case the unitholders, who have been given an exit option without any exit load, disagree with the aforesaid changes, they may redeem all part of the units of the scheme held by them by exercising the Exit Option, without exit load, within the Exit Option period as mentioned. Unitholders need to submit a redemption / switch request online or through a physical application form at any official point of acceptance/investor service center of the AMC or the Registrar and Transfer Agents of the Fund or to the depository participant (DP) (in case of units held in Demat mode). The above information shall be available on the website of Navi Mutual Fund viz., <https://navi.com/mutual-fund>. The redemption warrant/cheque will be mailed, or the amount of redemption will be credited to the unit holders bank account (as registered in the records of the Registrar) within 3 (three) working days from the date of receipt of redemption request.

Unit holders can also submit the normal redemption form for this purpose. The redemption/ switch requests shall be processed at applicable NAV as per time stamping provisions contained in the SID of the Scheme. Unit holders should ensure that any changes in address or pay-out bank details if required by them, are updated in Navi Mutual Fund's records at least 10 (Ten) working days before exercising the Exit Option. Unit holders holding Units in dematerialized form may approach their DP for such changes.

Unit holders who have pledged / encumbered their units will not have the option to exit unless they submit a release of their pledges / encumbrances prior to submitting their redemption / switch requests.

In case investors, who had registered for Systematic investment facilities such as SIP/STP/SWP in the Merging Scheme, decide to continue their investments i.e. do not opt for the Exit Option, then such SIP/STP/SWP registrations will continue to be processed under the respective Plan/Option of the surviving scheme from the Effective Date and no fresh registration will be required. Further, investors who have registered for Systematic investment facilities in the Scheme and who do not wish to continue their future investment facilities must apply for cancellation of such registrations.

Post the proposed merger of Navi ELSS Tax Saver Fund on and from the Effective Date, Navi ELSS Tax Saver Nifty 50 Index Fund will be the surviving scheme and the investment objective, investment pattern, annual recurring expense structure and all the other provisions of the Surviving Scheme as contained in the Scheme Information Document and Key Information Memorandum on completion of merger will be effective for the unit holders of the Merging Schemes. It may be noted that there will be no changes to features of Navi ELSS Tax Saver Nifty 50 Index Fund, post the merger.

On the date of completion of merger, the Merging Schemes will cease to exist and the unit holders of Merging Schemes as on the Effective Date will be allotted units under the corresponding available option of Surviving Scheme at the last available applicable Net Asset Value ("NAV") or at the Face Value, in case there are no units in the corresponding option of Surviving Scheme.

As a result of the above merger, no new scheme shall come into effect.

It may however be noted that the offer to exit is purely optional and not compulsory. If the Unit holder has no objection to the aforesaid change, no action is required to be taken, and it would be deemed that such Unit holder has consented to the aforesaid changes. However, we, at Navi Mutual Fund would like the Unit holders to continue their investments with us to help them achieve their financial goals.

The expenses related to the proposed changes and other consequential changes will not be charged to the unit holders of the scheme of Navi Mutual Fund.
