REPORT OF THE TRUSTEES FOR THE FINANCIAL YEAR ENDED MARCH 31, 2026

Navi Mutual Fund

7th Floor, Vaishnavi Tech Square, Iballur Village, Begur Hobli, Bengaluru, Karnataka – 560102

Navi Trustee Limited (the “Trustee”) is pleased to present its 17th Annual Report, together with the audited financial statements of the schemes of **Navi Mutual Fund** (the “Fund”) for the financial year ended March 31, 2026.

1. SCHEME PERFORMANCE, FUTURE OUTLOOK AND OPERATIONS OF THE SCHEMES

a. Scheme Performance

The details of Assets Under Management (“AUM”), the net asset value (“NAV”) per unit and the performance of the schemes vis-à-vis their benchmark as on March 31, 2026 are attached as **Annexure A** together with the justification on the performance of schemes.

b. Future Outlook and Operations of the Schemes

Future Outlook

During FY26, CPI inflation remained well within the RBI’s mandated target of 4%, enabling the central bank to cumulatively reduce the repo rate by 75 bps during the year. Additionally, GST rationalization undertaken during the year, along with lower inflation and easing interest rates, provided a supportive backdrop for consumption and economic activity. However, geopolitical tensions towards the end of the fiscal year, culminating in the US attack on Iran, triggered a sharp rise in global energy prices and dampened investor sentiment. Consequently, despite a steady start to the year, the broader market ended FY26 lower by 2.9%.

Going into FY27, some of the after-effects of the conflict in the Middle East, particularly elevated energy prices, are likely to persist. In addition, forecasts of a sub-optimal monsoon could pose risks to rural demand and inflation. Despite these external headwinds, the Indian economy enters FY27 on a strong footing, supported by a stable policy environment, resilient domestic demand, and robust macroeconomic fundamentals. A key bright spot remains the health of the financial and toward domestically focused themes. At the same time, we are closely monitoring export-oriented industries, where significant valuation discounts are beginning to present attractive investment opportunities.

Operations of the Schemes:

During the year under review, Navi Mutual Fund (erstwhile Essel Mutual Fund) completed 16 years of operations with steadfast commitment to sustainable operational efficiency, system-driven processes and strong compliance and governance We remain

focused on modernizing our systems, strengthening operational workflows, and keeping expenses low

As of March 31, 2026, Navi Mutual Fund’s Assets Under Management (AUM) stood at INR 8,327 crores, up from INR 7,202 crores on March 31, 2025.

Annexure C - Voting Policy

Background

We, NAVI AMC Limited (AMC), act as an asset management company (Investment Manager) to Navi Mutual Fund ('Fund'). In terms of Securities Exchange & Board of India ('SEBI') circular No. SEBI / IMD / CIR No.18/198647/2010 dated March 15, 2010,clarificatory email received from SEBI on June 23, 2011, SEBI circular no. CIR/IMD/DF/05/2014 dated March 24, 2014, SEBI/HO/IMD/DF2/CIR/P/2016/68 dated August 10, 2016, CIR/CFD/CMD1/168/2019 dated December 24, 2019 and SEBI/HO/IMD/DF4/CIR/P/2021/29 dated March 05, 2021, we have framed the general policy for proxy voting and procedure for exercising the voting rights ("Voting Policy") in respect of equity holdings held by our Mutual Fund schemes in the public listed companies to play an active role in ensuring better corporate governance of listed companies.

The Investment Manager will generally vote in accordance with the voting policy, but may act differently if the relevant facts and circumstances warrant.

Guidelines:

1. All schemes including passive investment schemes like Index Funds, Exchange Traded Funds etc. shall be required to cast votes compulsorily in respect of the following resolutions:
- a. Matters as mentioned above with reference to SEBI circular (para 4.iii) SEBI/IMD/CIR No 18/ 198647 /2010 dated March 15, 2010 (2.a-f)

b. Related party transactions of the investee companies (excluding own group companies). For this purpose, "Related Party Transactions" shall have same meaning as assigned to them in clause (zc) of Sub-Regulation (1) of Regulation (2) of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015.

c. Further, for all remaining resolutions which are not covered in "Point 1", AMC shall also compulsorily be required to cast their votes with effect from April 01, 2022.

Investment in group companies of the AMC and investment in companies that have subscribed to the units of schemes of Mutual Fund:

In cases where investments are in group companies of the AMC or where the Investee Companies have substantial investments in the schemes of the NAVI Mutual Fund, the AMC shall specifically review all voting proposals and take decisions with respect to voting on such proposals in the best interest of the unit holders.

Conflicts of Interest

Conflicts of interest may arise in certain situations, where:

- a. AMC/Fund Managers have material business relationship with a proponent of a proxy proposal, participants in a proxy contest, or directors or director candidates of a investee company; and
- b. An employee of the AMC has a personal interest in the outcome of a particular proxy proposal (which might be the case if, for example, a member of an employee's immediate family were a director or executive officer of the relevant company).

However, AMC will make its best efforts to avoid such conflicts and ensure that any conflicts of interest are resolved in the best interests of unit-holders.

Mechanism of Voting

In addition to this, the Nomination and Remuneration Committee (NRC) may set additional performance criteria for vesting of options. The exercise price will be determined by the NRC subject to a maximum discount of 20% on the market price. The proposed exercise price aligns the employees' interests with that of the shareholders. We support the resolution as we believe that the scheme will ensure the alignment of employee incentives with shareholder interests. We support the resolution.

			Others	Management	To consider and approve the appointment of Mr. Ralarangamani Gopalan (DIN: 01624555) as a Non- Executive Independent Director of the Company, not liable to retire by rotation, for a first term of 2 (two) years effective from February 05, 2025 to February 04, 2027.	FOR	Against	R Gopalan, 72, is a retired IAS Officer. He was a member of the Public Enterprises Selection Board and was Secretary, Department of Economic Affairs. He has served as Chairperson and Managing Director (CMD) of Tamilnadu Newsprints and Papers Ltd, Managing Director of Tamilnadu Agro Industries Corporation Ltd and Joint MD of Tamilnadu Dairy Development Federation Ltd. R Gopalan has been an Independent Director and Chairperson of the board of Zee Entertainment Enterprises Ltd (ZEEL) since November 2019, and a member of its Audit Committee since 2020. During his tenure on the board, ZEEL's proposed merger with the Sony Entertainment group did not go through. ZEEL's FY23 profits before taxes declined by ~69% to INR 4.7 bn in FY23 (in comparison to FY22 profits), of which write-offs and provisions aggregated INR 3.4 bn. Further, during his term as Chairperson, Punit Goenka's remuneration increased from INR 131.7 mn in FY21 to Rs 411.0 mn in FY22 before falling marginally to INR 350.7 mn in FY23. In the November 2024 AGM, the shareholders rejected Punit Goenka's reappointment as Director. However, even before the results were announced, Punit Goenka resigned in his capacity as Managing Director but continued to stay with the company as the Chief Executive Officer (not on the board). As Chairperson of the board and as a member of the Nomination and Remuneration Committee, we believe that R Gopalan has failed in his duties by allowing Punit Goenka to continue in an executive capacity as CEO and draw high remuneration. Despite the number of events that have plagued ZEEL, the board has allowed the company's promoters to remain in charge. Given the corporate governance failures that lace his past, we do not support his appointment.
Quarter 1	2025-04-03	Gujarat Narmada Valley Fertilizers and Chemicals Limited	Others	Management	Change in designation and appointment of Dr. T. Natarajan, IAS (DIN: 00396367) as Managing Director of the Company in place of Shri Pankaj Joshi, IAS (DIN: 01532892), effective from February 05, 2025, until further orders from the GoG, subject to the limit of five (05) years, not liable to retire by rotation.	FOR	For	Dr. T. Natarajan, 54, is an IAS officer of the 1996 Batch from Gujarat Cadre. He is currently the Principal Secretary, Finance Department, Government of Gujarat. He has served as Additional Secretary in the Department of Economic Affairs in Government of India and Additional Secretary (Defence Production), Ministry of Defence in Government of India. He will not be liable to retire by rotation, however his reappointment as MD will require periodic shareholder approval. The company has not disclosed the terms of his remuneration; however, we understand that remunerational levels in state PSUs are not high. We support his redesignation.
			Others	Management	Appointment of Shri Pankaj Joshi, IAS (DIN: 01532892) as Director and Chairman of the Company for a tenure as may be deemed appropriate by the Government of Gujarat, not liable to retire by rotation.	FOR	Against	Pankaj Joshi, 60, is Chief Secretary to Government of Gujarat. He also serves as the Chairperson of Gujarat State Fertilizers & Chemicals Ltd., and Gujarat Narmada Valley Fertilizers & Chemicals Ltd. Additionally, he holds the dual responsibility of Chairperson and Managing Director of Gujarat State Petronet Limited. Prior to this he was Additional Chief Secretary to the Chief Minister of Gujarat. In the past he has held leadership positions in public administration. He is an IAS Officer. He holds a Bachelor of Technology degree in Civil Engineering and a Master of Technology in Water Resource Engineering from Indian Institute of Technology, Delhi. He also holds an M.Phil. in Defence and Strategic Studies. Pankaj Joshi is not liable to retire by rotation. The recent amendments to SEBI regulations on periodic director rotation, carve out an exception for government nominees on non-public sector companies – therefore his reappointment will not require periodic shareholder approval. We do not support non-rotational board seats for Non-Executive Non-Independent Directors unless the tenure is specified, as it may lead to board permanency. We are unable to support the resolution.

Quarter 1	2025-04-06	Godfrey Phillips India Limited	Others	Management	To approve material related party transaction(s) between the Company and Philip Morris Products S. A., Switzerland (PMPSA) for sale/export of unmanufactured tobacco on an arm's length basis and in the ordinary course of business, for an aggregate value not exceeding INR 1,750 Crore in the financial year 2025- 26.	FOR	For	Philip Morris Products S.A., Switzerland (PMPSA) is a member entity of the group to which Philip Morris Global Brands Inc, USA (a promoter shareholder of the Company) belongs. The proposed transaction is for the Sale/export of unmanufactured tobacco with PMPSA. As per the notice the overall export value of unmanufactured tobacco amounted to Rs 12.1 bn and INR 7.7 bn in FY24 and FY23 respectively. The company has signed an agreement with PMPSA in April, 2019 to supply unmanufactured tobacco on a non-exclusive basis. The company expects operations to expand in FY26 due to an increased demand for tobacco products and consequently, also expects the transactions with PMPSA to increase. The transactions are operational in nature, in the ordinary course of business and will be carried out at arm's length. The transaction value is capped at INR 1,75 bn for FY26. We support the resolution. The company previously sought shareholder approval for similar transactions with PMPSA, for FY24, in excess of the materiality thresholds. However, this proposal was rejected twice by shareholders. Although the RPT values for FY24 and FY25 were below the materiality threshold, the company must explain how it managed to keep the transaction values for FY24 and FY25 under the threshold, despite initially seeking approval for a larger amount.

Quarter 1	2025-04-07	SBFC Finance Ltd	Others	Management	Appointment of Mr. Mahesh Dayani, (DIN: 06561389), as the Whole-time Director, designated as Executive Director of the Company, for a term of five consecutive years commencing from February 28, 2025 to February 27, 2030, liable to retire by rotation and payment of remuneration.	FOR	Against	Mahesh Dayani, 50, has been the Chief Business Officer of SBFC Finance Limited since 1 November 2017. He oversees the Company's distribution strategy, product development and marketing efforts. Mahesh Dayani was paid INR 24.8 mn in FY24 but it is unclear if the remuneration includes perquisite value or fair value of stock options: he was granted 5.3 mn stock options in FY24, with an aggregate fair value of INR 264.5 mn. There are no disclosures on his FY25 remuneration or stock options granted in the public domain. While we support his appointment as Whole Time Director, we do not support the resolution because of the open-ended remuneration structure. While his fixed salary is not expected to exceed INR 2.8 mn per month during his tenure, there is no clarity on the performance incentives that he is eligible to receive. The resolution gives flexibility to the board to decide the quantum of stock options without any tangible contours. As a result, we are unable to estimate his proposed remuneration. Since we do not have sufficient information on his past and proposed remuneration to make an informed decision, we do not support the resolution. Additionally, the company must disclose the basis on which the performance pay will be made (in terms of targets to be achieved).

					To approve re-appointment of Mr. R. Subramanikumar (DIN: 07825083) as the Managing Director and CEO of the Bank, not liable to retire by rotation, for a period of three years with effect from June 23, 2025 to June 22, 2028 and including remuneration.	FOR	For	R Subramanikumar, 65, has over 40 years of experience in the banking sector including as MD and CEO of Indian Overseas Bank, Executive Director at Indian Bank. He has been the Managing Director and CEO of the bank since June 2022. R Subramanikumar received a remuneration of INR 88.9 mn in FY24. As per his revised terms approved by shareholders in January 2025, we estimate his annual remuneration to be in the range of INR 64.4 – 128.8 mn. While the proposed range is wide, we draw comfort that the remuneration payable to R Subramanikumar is subject to RBI approval and the bank will seek approval from shareholders for variable pay for FY25. The proposed remuneration is comparable to industry peers, and it is commensurate with the size and performance of the business and complexities of his role. In the past, the bank has been judicious in its remuneration payouts. While the bank has disclosed a broad range of performance metrics which have determined the FY24 variable pay, we expect the bank to also disclose the targets and level of achievement of these targets for the past year. For FY25, the bank must disclose performance metrics for variable pay and ESOP grants. Notwithstanding, we support the resolution.

The company seeks to appoint him as MD & Group CEO for five years from February 5, 2025, with his entire remuneration to be paid by RDPL. He is entitled to annual remuneration of INR 84.1 mn, including long-term incentives and variable pay. The company should disclose performance metrics that will be used to determine his variable pay. 					To grant, offer and issue Equity Settled Stock Appreciation Rights under a Scheme viz. ITC Employee Stock Appreciation Rights Scheme 2025 (ITC ESAR Scheme).	FOR	For	The company proposes to grant stock appreciation rights which will be settled by issue of equity shares. Under ITC ESAR Scheme, the company proposes to offer ESARs, the exercise of which will be limited to 250.2 mn equity shares. The fresh issuance will result in a dilution of 2.0% on the expanded capital base as on 31 December 2024. The SAR Price will not be lower than: the closing price on the NSE on the grant date, or the average of daily six-months closing price preceding the grant date on the NSE, or the closing price on the date immediately prior to date of board / Nomination & Compensation Committee meeting in which SARs are granted, as determined by the board. ESARs entitle employees to receive appreciation in the value of shares of the company (difference between the market price of ten shares and ESAR Price) where such appreciation is settled by way of shares. The ESARs will vest between one year and three years from the date of grant. The exercise period will be up to five years from the date of vesting. Therefore, the scheme aligns the interest of shareholders and the employees. We note that the number of equity shares granted upon exercising SARs will be based on the market price – which is the average closing price of the company's shares in the month before the application is submitted. The notice states that board may also decide on a different price if deemed appropriate – we expect that the board will use the definition of market price consistently, as defined in the scheme. We support the resolution.

FOR	For	The sub-division of shares is likely to improve liquidity for the stock and make the equity shares affordable and attractive to investors.
Quarter 1	2025-04-11	Info Edge (India) Limited	Others	Management	Alteration of the Articles of Association of the Company.	FOR	For	As a result of the sub-division of equity shares, the company proposes to alter Article 2 (A) (i) in the Articles of Association. FOR	For	The existing MoA is based on the erstwhile Companies Act, 1956. The company is seeking shareholder approval to adopt a new set of AoA in line with the Companies Act, 2013. Further, the company also seeks approval to realign the object clause and the liability clause of the existing MoA i.e., Clause III and Clause IV respectively, as per the Act. The company has stated that there is no change in the main objects of the company, and the proposed changes are mainly editorial in nature. The company has also inserted new ancillary objects under sub clauses 31 to 41. We raise concerns at the delay in making the MoA compliant with the Companies Act 2013: the alignment to the new regulation is being done over nine years after the Companies Act 2013 was notified. Notwithstanding, we note that the company is making no change to its principal business. We support the resolution.

FOR	For	The resolution allows the company to raise INR 5.0 bn through equity or through debt. The company should have sought approval for raising equity or debt via separate resolutions. Assuming the issue price is the current market price (Rs 524.2 current market price as on March 24, 2025), the company will have to issue -95.3 mn shares resulting in a dilution of -2.4% on the expanded capital base as on 31 December 2024. As on 30 September 2024, the company's debt stood at INR 374.3 bn and debt equity stood at 07%. The company's debt is rated CRISIL AA/ Stable. The company has stated that it proposes to utilize the funds to support its expansion plans to achieve a thermal power generating capacity of 3067 GW by FY 31, from 1755 GW as of 31 December 2024. The company has also stated that the funds may be utilized for pre-payment and / or repayment of debt, working capital requirements or general corporate purposes. Even so, we expect the company to seek separate shareholder approval for the raising of equity and debt.
Quarter 1	2025-04-12	TVS Motor Company Limited	Others	Management	Scheme of Arrangement between TVS Motor Company Limited (Company) and its shareholders (Scheme). As stated by the company, it has a strong free cash flow and surplus reserves exceeding its current and future business needs. Hence, the company proposes to distribute a portion of its free reserves to its shareholders in the form of 6% Cumulative Non-Convertible Redeemable Preference Shares. The size of the preferential issue at INR 190 bn is well within the company's available free reserves which as on March 31, 2024 stood at INR 76.78 bn on a standalone basis and at INR 64.05 bn on a consolidated basis. We support the resolution.

FOR	Against	Of the proposed INR 6% bn of investments, INR 3.5 bn will be from the company's IPO proceeds and the residual will be from the company's non-IPO funds. There is lack of disclosure regarding the business model of the proposed healthcare business and PB Fintech's role in the proposed venture; (ii) The company has not disclosed details of the other investors. (iii) In a media interview, PB Fintech's leadership asserted that the company would be diluted to 25% from the currently disclosed 33.63% - however, the shareholder notice does not disclose this. The rationale for holding a 25% stake (on a fully diluted basis) in PB Healthcare is unclear since it does not give PB Fintech control over the proposed healthcare business; (iv) There is no clarity on how the proposed investment will benefit the stakeholders of PB Fintech, especially considering that there is no clarity on what the business of PB Healthcare Services Private Limited will be; (v) In a media interview, PB Fintech's leadership stated that there is a 50% chance of success of this business. The board must disclose the details of the venture, its risk assessment of the proposed venture, and measures it has taken to protect PB Fintech's proposed investment in the venture; (vi) PB Healthcare will have an ESOP pool of 21% on a fully diluted basis. This is high and the rationale for the same has not been articulated; (vii) Yashish Dahiya, Alok Bansal and other KMPs of PB Fintech propose to subscribe to the securities of PB Healthcare. It is unclear if these executives will be classified as promoters of PB Healthcare and if they will be eligible for stock options from PB Healthcare.

Further, the vesting of stock options will also be determined by the performance rating of the employees. In certain cases, the vesting may be linked to the achievement of specific milestones and in such cases, the options will vest as per terms defined during grant linked to such milestones. Where the vesting is linked to achievement of milestones, we expect the company to disclose the specific company-level performance parameters along with the targets, and an indicative range of weightages for each of the parameters. In case the company chooses not to disclose these targets, we expect the company to clearly articulate its intention to disclose each company-level performance parameter and target in the subsequent annual reports. Given the lack of disclosures, we do not support the resolution.

Quarter 1	2025-04-17	Indegene Ltd	Others	Management	Re-appointment of Mr. Jairaj Manohar Purandare (DIN: 00159886) as an Independent Director of the Company, for a period of 5 (Five) years effective from April 28, 2025 till April 27, 2030, and that he shall not be liable to retire by rotation.	FOR	Against	Jairaj Purandare, 66, is the founder and Chairperson of JMP Advisors Pvt Ltd, an advisory, tax, and regulatory services firm based in Mumbai, India. He previously served as Executive Director of PricewaterhouseCoopers Private Limited and as Managing Partner and Chairperson of Ernst & Young LLP. He has been on the board since April 2022 and attended all board meetings held in FY24 and FY25. The company seeks shareholder approval for his reappointment and an increase in his annual commission to INR 5.0 mn (from INR 4.0 mn). While his reappointment is in line with statutory requirements, we note that he serves as an Independent Director on the boards of four listed companies (including Indegene Ltd.). Regulations allow whole-time directors of listed companies to hold Independent Directorships in a maximum of three listed companies, given their full-time responsibilities. We believe that as the founder and Chairperson of JMP Advisors Pvt Ltd, his role is equivalent to a whole-time directorship. Therefore, his number of directorships in listed companies is not in line with the spirit of the regulation. We do not support the resolution.
Quarter 1	2025-04-17	Indegene Ltd	Others	Management	Re-appointment of Dr. Ashish Gupta (DIN: 00521511) as an Independent Director of the Company, for a period of 5 (Five) years effective from April 28, 2025 till April 27, 2030, and that he shall not be liable to retire by rotation.	FOR	Against	Dr. Ashish Gupta, 59, is an investor associated with several startups in India and the USA. Public sources indicate that he is associated with various internet-based firms, including Gupshup (an American messaging platform for businesses), Urban Company (a marketplace for home services), Inhabitr (an AI-powered furnishing solution for commercial real estate), among others. He has been on the board of Indegene Ltd. since April 2022 and attended six out of seven board meetings held in FY25 as well as FY24. His reappointment is in line with statutory requirements. The company also seeks approval to increase his commission to INR 10.0 mn annum (currently INR 9.0 mn). The company has clarified that his proposed commission is higher than that of other independent directors (INR 5.0 mn per annum) due to his US residency. However, we raise concerns that the proposed commission, which is twice what is proposed for other independent directors based in India, is high relative to the company's size and scale. The company should have outlined the benchmarking process undertaken to determine the proposed payout. Although we support Dr. Ashish Gupta's reappointment as Independent Director, we do not support the proposed remuneration. Therefore, we do not support the resolution.

FOR	For	U. B. Pravin Rao, 64, has 36 years of experience in the information technology sector. He previously served as Chief Operating Officer and Whole-time Director of Infosys Ltd. He joined Infosys Ltd. in 1986 and held various leadership roles, including Interim CEO and MD, COO, Head of Infrastructure Management Services, Delivery Head for Europe, and Head of Retail, Consumer Packaged Goods, Logistics, and Life Sciences. Public sources suggest that he is associated with Social Venture Partners, a philanthropic organization. He has been on the board of Indegene Ltd. since June 2022 and attended all seven board meetings held in FY25 and six out of seven board meetings held in FY24. His reappointment is in line with statutory requirements. The company also seeks shareholder approval to increase his commission to INR 5.0 mn per annum from 8 June 2025, with an annual increment of INR 0.2 mn. The proposed remuneration benchmarks to the FY24 median remuneration of independent directors of the NIFTY 50, which is relatively high for the size of the company. Even so, we recognize that the company is recently listed and has an established set of directors. Therefore, we support the resolution.
					Increase in remuneration by way of commission to be paid to Mr. Krishnamurthy Venugopala Tenneti (DIN:01338477) as Independent Director of the company from existing INR 40,00,000/- per annum to INR 50,00,000/- per annum with effect from July 28 2025.	FOR	For	In November 2022 (pre-listing), shareholders approved a commission of up to 6% of net profits for non-executive directors, which is high. The commission to Krishnamurthy Venugopala Tenneti was capped at INR 4.0 mn per annum. The company now seeks shareholder approval to increase his annual commission to INR 5.0 mn per annum, with an annual increment of INR 0.2 mn, aligning it with the remuneration proposed for other India-based independent directors of the company. Krishnamurthy Venugopala Tenneti, 80, serves as an advisor to ANI Technologies Private Limited (Olacabs). We had not supported his reappointment as an Independent Director at the 2024 AGM. He was a Non-Executive Director on Indegene Limited's board from September 2008 to July 2022 before being appointed as an Independent Director from July 2022. Since his aggregate association with the company exceeds ten years, we classify him as a non-independent director. However, the proposed remuneration benchmarks to the FY24 median remuneration of independent directors of the NIFTY 50, which is relatively high for the size of the company. Even so, we recognize that the company is recently listed and has an established set of directors. Therefore, we support his remuneration while continuing to classify him as non-independent.

FOR	For	Brij Mohan Bansal, 74, has four decades of experience in the oil and gas sector across business development, R&D, refinery operations, project execution, and technical services. He is former President (Business Development) at BoxLNG Private Limited, former Chairperson of Chennai Petroleum Corporation Ltd, Indian Oil Mauritius Ltd and IOT Infrastructure & Energy Services Ltd. The company should have disclosed his board meeting attendance since his appointment on the board. Notwithstanding, his reappointment as Independent Director meets all statutory requirements. We support the resolution. While we support his reappointment, we believe shareholder approval for his reappointment should have been sought on or before the completion of his first term as Independent Director.

Quarter 1	2025-04-18	Godrej Agrovet Ltd	Others	Management	Approval for re-appointment of and Remuneration payable to Mr. Bairam Singh Yadav (DIN: 00294803) as the Managing Director of the Company, for a further period commencing from May 1, 2025 upto August 31, 2025.	FOR	For	Bairam Singh Yadav, 60, is the Managing Director of Godrej Agrovet Ltd. He has been associated with the Godrej group since 1990 and was appointed on the board of Godrej Agrovet in 2007. The current term of Bairam Singh Yadav ended on 30 April 2025 on account of his superannuation. To ensure a smooth transition, the company has proposed extending his tenure for an additional four months from 1 May 2025 to 31 August 2025 and fix his remuneration as minimum remuneration. We estimate Bairam Singh Yadav's remuneration for this five-month period at INR 399 Million. The company should have disclosed the quantum of stock options that may be granted – we expect that this number will be low given the limited duration of this term. Additionally, the company must disclose the performance metrics that will be used to determine his variable pay. Notwithstanding, his five-month remuneration is reasonable. We expect the company to remain judicious in its payment of managerial remuneration and support the resolution.

We estimate Sunil Kataria's annual remuneration at INR 278.3 Million out of which 55% is fixed pay and 45% is variable and linked to company performance. His estimated remuneration is high in absolute terms - it is 59% of FY24 consolidated profit before tax. Further, it is higher than peers and not commensurate with the size and complexity of business operations. Additionally, the company has not disclosed performance metrics that will be used to determine his variable pay. While we support his appointment as CEO and Managing Director - Designate, we do not support his remuneration terms. Hence, we do not support the resolution.

FOR	Against	Jupiter Tatravagonka Railwheel Factory Private Limited (JTRFPL), a 972% subsidiary of Jupiter Wagons Limited, is engaged in the business of manufacturing, designing and producing wheels, axles and wheelsets for all types of rolling stock, high-speed and mainline trains, metro, and freight wagons. In the first half of FY25 the transactions between the company and JTRFPL aggregated to INR 5.6 bn. The company has stated that the proposed transactions are in the ordinary course of business and at arm's length basis. However, the resolution proposes a tenure of ten years starting from 1 April 2025. We do not support resolutions with a tenure longer than five years unless there is a strong business rationale. We believe shareholders of a company change over time and these shareholders should get an opportunity to review and vote on proposals with fresh thinking. Further, the proposed transactions include other transactions for the purpose of business, which is enabling. Given this, we do not support the resolution.
Quarter 1	2025-04-18	Jupiter Wagons Ltd	Others	Management	Change in one of the Object Clause for utilization of funds raised by way of issuance of equity shares and/ or equity linked securities by way of Qualified Institutions Placement (QIP).	FOR	For	In the October 2023 postal ballot, shareholders had approved raising of INR 70 bn through a QIP. The company has spent INR 63.6 mn on civil works and land development, leaving INR 436.4 mn unutilized for the past two years. Due to the project delay, the company proposes to reallocate the unutilized INR 436.4 mn to increase the capacity of its existing foundry in Bandel, West Bengal, by 1,000 MT per month.
