Quarter 3	2025-11-12	RBL Bank Limited	EGM	Management	Amendment to the Articles of Association of the Bank and grant of Special Right regarding Director Nomination to Identified Shareholder of the Bank.	FOR	Against	Compliant with law. Governance concern: The rights given in cases where shareholding would be above 50%, to nominate all of the non-independent directors on the Board, including executive directors, appears to be significant. The same leaves no scope for representation of other significant and willing shareholders, thereby limiting board diversity and plurality of views among NIDs. Since all NIDs, including executive directors, would be investor nominees in such situations, management and board discussions could be inclined towards the investor's strategic and operational priorities, potentially diminishing the practical effectiveness of independent oversight. Governance balance of the Board would be better served if mechanisms ensured that representation is not significantly inclined in favour of a select investor.

Quarter 3	2025-11-20	Ambuja Cements Limited	Others	Management	Scheme of Arrangement between Sanghi Industries Limited and Ambuja Cements Limited and their respective shareholders under Sections 230 to 232 and other applicable provisions of the Companies Act, 2013.	FOR	For	Compliant with law. Governance concern: Although it appears that Sanghi Industries Ltd (SIL) may be undervalued under the proposed scheme, determining a precise "fair premium" remains inherently uncertain due to the volatility in SIL operational performance over recent years. What is, however, unambiguous is SIL's need for sustained operational and financial support. A strong parent like Ambuja Cements Ltd (ACL) is essential for SIL to stabilise its operations, execute the required capital expenditure, and ultimately realise its full potential. Also the value erosion faced by SIL shareholders in the recent years is likely greater than any premium that might have been gained had the valuation been higher under the proposed transaction structure. Yet, for minority shareholders, the more meaningful consideration is the long-term value creation that can arise once SIL is integrated into ACL. Post-merger, shareholders of SIL will hold more liquid, and fundamentally stronger security, with ACL's performance ultimately reflecting the improvement and scaling-up of SIL's assets. Accordingly, while the valuation does not appear optimally favourable to SIL on an independent basis, the broader objective of ensuring SIL's revival and enabling long-term value accretion for its shareholders appears to be achievable through the proposed scheme. In light of this and balancing the overall interests of all stakeholders, no major governance concern is identified against the proposed Scheme of Arrangement.

Quarter 3	2025-12-07	Triveni Engineering & Industries Limited	Others	Management	Scheme of Arrangement amongst Triveni Engineering and Industries Ltd, Sir Shadi Lal Enterprises Ltd and Triveni Power Transmission Ltd. and their respective shareholders and creditors under Sections 230-232 of the Companies Act, 2013.	FOR	Against	Compliant with law. No major concerns are identified with the amalgamation of Sir Shadi Lal Enterprises Ltd into Triveni Engineering & Industries Ltd (TEIL). Governance and Transparency Concern: Governance and transparency concerns are identified with the demerger of Power Transmission Business into Triveni Power Transmission Ltd (TPTL). TEIL will retain 30% stake in TPTL. This decision is stated to be driven by balance-sheet considerations when bidding for defence projects. While the intent of TEIL to expand the defence business appears to be valid, however, the current scale of defence operations is not sizable and the potential growth remains uncertain. Ownership structuring tailored to a specific business need is generally justified only when that business constitutes a significant portion of the overall operations. In the absence of clarity on the likely contribution of the defence business to the consolidated business, it is difficult to assess whether structuring TPTL in the proposed manner is reasonable or justified. What also remains unclear is why the proposed structure is considered the most suitable framework, particularly when it results in promoters obtaining a disproportionate voting advantage. With TEIL holding only a 30% stake in TPTL, full balance-sheet consolidation will not occur, except to the extent of profit and loss recognition. Moreover, TEIL or the promoters could still extend support to the divested undertaking through mediums such as corporate guarantees. Answers to above issues are essential to gain adequate comfort over the rationale and fairness of the proposed scheme of arrangement.
					To create, offer, issue and allot such number of Equity Shares, in accordance with applicable law, in one or more tranches, whether Rupee denominated or denominated in one or more foreign currencies, in the course of domestic and /or international offering(s) in one or more foreign markets, in terms of the applicable regulations and as permitted under the applicable laws, in such manner in consultation with the lead managers / book running lead manager(s) and/ or other advisor(s) or otherwise, for an aggregate amount not exceeding INR 10,000 Crore or an equivalent amount thereof (inclusive of such premium as may be fixed on such Equity Shares) at such price or prices as may be permissible under applicable law by way of one or more permitted means, through one or more qualified institutions placement of Equity Shares (QIP).	FOR	Against	Compliant with law. Governance and Transparency Concern: In light of the substantial size of the proposed 10000-Crore QIP which is over twice the size of the IPO, combined with the fact that a portion of the IPO proceeds is still pending utilisation and an inflow of approximately 2,400 Crores is expected from the Rapido transaction, it becomes particularly important for the Company to provide deployment timelines, a detailed object-wise allocation of the proposed funds and a specific justification for additional capital requirements for objects that already received IPO funding. Such transparency will assist shareholders in evaluating whether the capital requirements require a fundraise of this scale at the current juncture. Comprehensive disclosures also allow investors to understand how the proposed issuance fits within the Company's overall capital-allocation strategy and whether raising the entire amount upfront is the most optimal approach from a long-term value standpoint, including considerations around future flexibility.
Quarter 3	2025-12-10	JBM Auto Limited	Others	Management	Material Related Party Transaction(s) with JBM Ecolife Mobility Private Limited for an aggregate value of not exceeding INR 1,450 Crores.	FOR	Against	Non-Compliant with SEBI Circular: Certain disclosures as mandated under ISF Format are not made in the explanatory statement to the Notice. Governance & Transparency Concern: Lack of clarity on whether sale and purchase of goods related RPTs will be continued in the proposed period or not and if yes, then the absence of disclosure for such RPTs in ISF Format. Inadequate justification on how the related party will meet the RPT obligation when its present financials indicate limited feasibility. No information on how the pricing for the proposed transaction is determined. Inadequate explanation on why there is a significant gap between the previous year RPT values and the proposed limit. No information on whether the support related obligations are shared in proportion to ownership in the related party and if not, whether the remaining owner is adequately compensating for the benefit received as a result of the listed entity's support. No clarity on whether any RPTs were entered from AGM 2025 date till the date of the proposed approval.

Quarter 4	2026-01-14	Shriram Finance Limited	EGM	Management	Approve special rights granted to the Investor in accordance with Regulation 3.1B of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.	FOR	Against	Non-Compliant with law as the acquirer will attain controlling powers without making open offer. No concern with board representation sought per-se. However, major concerns identified with other rights sought. Pre-emptive rights to protect dilution of select investor unfair as the other investors will face an added amount of dilution if such an arrangement is granted and such a select right is unfair for other investors. Further, MUFG has secondment rights to put upto 6 persons in the Company, Management and the Stakeholders should ideally be kept separate, an Investor should act as a financial sponsor and strategic advisor, and not assume operational or managerial control or influence. These rights can result in MUFG directing or controlling policies and management, notwithstanding that fact that Notice states that the secondees will not be Key Managerial persons or Senior management personnel. Power of Board / Management representation appears to vest the Investor with control without the triggering an open offer.
Quarter 4	2026-01-14	Shriram Finance Limited	EGM	Management	The payment of a one-time, non-recurring and fixed amount of USD 200,000,000 by MUFG Bank Ltd (Investor) to Shriram Ownership Trust, Promoter of the Company for the non-compete and non-solicit obligations undertaken by Shriram Ownership Trust for itself and on behalf of its affiliates for the benefit of the Company, with a view to safeguard the Company's goodwill, protecting the interests of all its shareholders and ring-fencing and enhancing the value of the Company's lending and credit business.	FOR	Against	Compliant with law. Transparency Concern: The proposed payment of a non-complete / non-solicit fee to a promoter who continues to remain invested in the Company with a near-equal stake raises concerns of incomplete disclosure. It is unclear why such protection is required; if Shriram were to start a competing business, it would harm its own economic interest as much as MUFG's, given their comparable shareholding. The Company should therefore clearly explain the rationale and demonstrate how the proposed payment represents fair and reasonable compensation to the promoter entity.

- d) in the case of cash flow statement, of the cash flows of the Scheme for the year ended March 31, 2026.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. In conducting the audit, we have taken into account the provisions of the SEBI Regulations, the Indian accounting standards specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by Companies (Indian Accounting Standards) Rules, 2015, as applicable and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information other than The Financial Statements and Auditor's Report Thereon

The Management is responsible for the other information. The other information comprises the information included in the Trustee report, but does not include the financial statements and our Auditor's report thereon. The Trustee report is expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

The Board of Directors of NAVI AMC Ltd. and NAVI Trustee Ltd (Collectively referred to as "The Management") are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme and changes in net asset attributable to unitholders of the scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) read with SEBI regulations. specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Scheme's financial reporting process.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit

and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/ period ended March 31, 2026 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- As required by SEBI Regulation 55(4) and Clause 5(ii) (2) of the Eleventh Schedule to the SEBI Regulations, we report that:
 - we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - In our opinion, the Balance Sheet, the Revenue Account, the cash flow statement and the statement of changes in net asset attributable to unit holders for the year dealt with by this report have been prepared in conformity with accounting policies and standards specified in the Ninth Schedule to the Regulations; and
 - The balance sheet, the revenue account, the cash flow statement and the statement of changes in net asset attributable to unit holders for the year dealt with by this report are in agreement with the books of accounts of the Schemes.
- In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2026 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Directors of the Trustee Company of NAVI Mutual Fund and are fair and reasonable.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. In conducting the audit, we have taken into account the provisions of the SEBI Regulations, the Indian accounting standards specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by Companies (Indian Accounting Standards) Rules, 2015, as applicable and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information other than The Financial Statements and Auditor's Report Thereon

The Management is responsible for the other information. The other information comprises the information included in the Trustee report, but does not include the financial statements and our Auditor's report thereon. The Trustee report is expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

The Board of Directors of NAVI AMC Ltd. and NAVI Trustee Ltd (Collectively referred to as "The Management") are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme and changes in net asset attributable to unitholders of the scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) read with SEBI regulations. specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting

unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Scheme's financial reporting process.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2026 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- As required by SEBI Regulation 55(4) and Clause 5(ii) (2) of the Eleventh Schedule to the SEBI Regulations, we report that:
 - we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - In our opinion, the Balance Sheet, the Revenue Account, the cash flow statement and the statement of changes in net asset attributable to unit holders for the year dealt with by this report have been prepared in conformity with accounting policies and standards specified in the Ninth Schedule to the Regulations; and
 - The balance sheet, the revenue account, the cash flow statement and the statement of changes in net asset attributable to unit holders for the year dealt with by this report are in agreement with the books of accounts of the Schemes.
- In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2026 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Directors of the Trustee Company of NAVI Mutual Fund and are fair and reasonable.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. In conducting the audit, we have taken into account the provisions of the SEBI Regulations, the Indian accounting standards specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by Companies (Indian Accounting Standards) Rules, 2015, as applicable and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information other than The Financial Statements and Auditor's Report Thereon

The Management is responsible for the other information. The other information comprises the information included in the Trustee report, but does not include the financial statements and our Auditor's report thereon. The Trustee report is expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

The Board of Directors of NAVI AMC Ltd. and NAVI Trustee Ltd (Collectively referred to as "The Management") are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme and changes in net asset attributable to unitholders of the scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) read with SEBI regulations. specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to

liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Scheme's financial reporting process.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2026 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- As required by SEBI Regulation 55(4) and Clause 5(ii) (2) of the Eleventh Schedule to the SEBI Regulations, we report that:
 - we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - In our opinion, the Balance Sheet, the Revenue Account, the cash flow statement and the statement of changes in net asset attributable to unit holders for the year dealt with by this report have been prepared in conformity with accounting policies and standards specified in the Ninth Schedule to the Regulations; and
 - The balance sheet, the revenue account, the cash flow statement and the statement of changes in net asset attributable to unit holders for the year dealt with by this report are in agreement with the books of accounts of the Schemes.
- In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2026 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Directors of the Trustee Company of NAVI Mutual Fund and are fair and reasonable.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

The Board of Directors of NAVI AMC Ltd. and NAVI Trustee Ltd (Collectively referred to as "The Management") are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme and changes in net asset attributable to unitholders of the scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) read with SEBI regulations. specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to

liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Scheme's financial reporting process.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2026 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- As required by SEBI Regulation 55(4) and Clause 5(ii) (2) of the Eleventh Schedule to the SEBI Regulations, we report that:
 - we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - In our opinion, the Balance Sheet, the Revenue Account, the cash flow statement and the statement of changes in net asset attributable to unit holders for the year dealt with by this report have been prepared in conformity with accounting policies and standards specified in the Ninth Schedule to the Regulations; and
 - The balance sheet, the revenue account, the cash flow statement and the statement of changes in net asset attributable to unit holders for the year dealt with by this report are in agreement with the books of accounts of the Schemes.
- In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2026 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Directors of the Trustee Company of NAVI Mutual Fund and are fair and reasonable.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. In conducting the audit, we have taken into account the provisions of the SEBI Regulations, the Indian accounting standards specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by Companies (Indian Accounting Standards) Rules, 2015, as applicable and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information other than The Financial Statements and Auditor's Report Thereon

The Management is responsible for the other information. The other information comprises the information included in the Trustee report, but does not include the financial statements and our Auditor's report thereon. The Trustee report is expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

The Board of Directors of NAVI AMC Ltd. and NAVI Trustee Ltd (Collectively referred to as "The Management") are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme and changes in net asset attributable to unitholders of the scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) read with SEBI regulations. specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to

liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Scheme's financial reporting process.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/period ended March 31, 2026 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- As required by SEBI Regulation 55(4) and Clause 5(ii) (2) of the Eleventh Schedule to the SEBI Regulations, we report that:
 - we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - In our opinion, the Balance Sheet, the Revenue Account, the cash flow statement and the statement of changes in net asset attributable to unit holders for the year dealt with by this report have been prepared in conformity with accounting policies and standards specified in the Ninth Schedule to the Regulations; and
 - The balance sheet, the revenue account, the cash flow statement and the statement of changes in net asset attributable to unit holders for the year dealt with by this report are in agreement with the books of accounts of the Schemes.
- In our opinion, and on the basis of information and explanations given to us, the methods used to value non-traded securities as at March 31, 2026 are in accordance with the SEBI Regulations and other guidelines approved by the Board of Directors of the Trustee Company of NAVI Mutual Fund and are fair and reasonable.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/ period ended March 31, 2026 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- As required by SEBI Regulation 55(4) and Clause 5(ii) (2) of the Eleventh Schedule to the SEBI Regulations, we report that:
 - we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. In conducting the audit, we have taken into account the provisions of the SEBI Regulations, the Indian accounting standards specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by Companies (Indian Accounting Standards) Rules, 2015, as applicable and matters which are required to be included in the audit report under the provisions of the SEBI Regulations. We are independent of the Scheme in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information other than The Financial Statements and Auditor's Report Thereon

The Management is responsible for the other information. The other information comprises the information included in the Trustee report, but does not include the financial statements and our Auditor's report thereon. The Trustee report is expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

The Board of Directors of NAVI AMC Ltd. and NAVI Trustee Ltd (Collectively referred to as "The Management") are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Scheme and changes in net asset attributable to unitholders of the scheme in accordance with accounting policies and standards as specified in the Ninth Schedule of the SEBI Regulations and in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (IND AS) read with SEBI regulations. specified in Regulation 50(1A) of SEBI Regulations and any addendum thereto, as notified by the Companies (Indian Accounting Standards) Rules, 2015 to the extent there is no conflict between the requirements of IND AS and SEBI Regulations and guidelines issued thereunder. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Scheme and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to

liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Scheme’s financial reporting process.

Auditors’ Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme’s internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management of the AMC, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide to the management of the AMC with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year/ period ended March 31, 2026 and are therefore the key audit matters. We describe these matters in our auditor’s report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- As required by SEBI Regulation 55(4) and Clause 5(ii) (2) of the Eleventh Schedule to the SEBI Regulations, we report that:
 - we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - In our opinion, the Balance Sheet, the Revenue Account, the cash flow statement and the statement of changes in net asset attributable to unit holders for the year dealt with by this report have been prepared in conformity with accounting policies and standards specified in the Ninth Schedule to the Regulations; and

Presentation of these separate balance sheets and revenue accounts in a columnar form is not intended to indicate that they bear any relation to each other, or are interdependent or comparable in any way.

All the above Schemes have been collectively referred to as “Schemes”.

18 Basis of Preparation of Financial Statements

These financials statements have been prepared in accordance with the accounting policies and standards specified in the Ninth Schedule of the Securities and Exchange Board of India (Mutual Fund) Regulations 1996 and amended thereto (SEBI Regulations) as applicable and Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015], to the extent it is not inconsistent with the SEBI Regulations and guidelines issued thereunder and industry practices

The Scheme maintains accounts on accrual basis following the historical cost convention, except for the following items:

- certain financial instruments – fair value

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

Notes to Financial Statements for the year ended March 31, 2026

(Amount INR Lakhs)

- * Level 1 — Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- * Level 2 — Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- * Level 3 — Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The Balance Sheet and the Revenue Account have been prepared and presented in the format prescribed in the SEBI Regulations. The Scheme has elected to present cash flows from operating activities using the indirect method and items of income or expense associated with investing or financing cash flows are presented as per the requirements of Ind AS 7 'Statement of Cash Flows'. The disclosure requirements with respect to items in the Balance Sheet and the Revenue account, as prescribed in the SEBI Regulations and Ind AS, are presented by way of notes forming part of the financial statements.

Functional and presentation currency

AMC has determined that the functional currency of the Scheme is INR. All amounts have been rounded off to the nearest lakh unless otherwise indicated.

Use of estimates and judgements

The preparation of the financial statements in conformity with Ind AS requires that the AMC make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures of contingent assets and liabilities as of the date of the financial statements and the income and expense for the reporting period. The actual results could differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis.

Estimates and underlying assumptions are reviewed on an ongoing basis.

The Scheme makes certain judgments and estimates for valuation of financial instruments. The AMC believes that the estimates used in the preparation of the financial statements are prudent and reasonable.

Changes in estimates are reflected in the financial statements in the period in which the changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Assumptions and estimation uncertainties:

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ending March 31, 2026 included in the following notes:

Financial Instruments

Recognition and initial measurement of financial assets and financial liabilities

All financial assets and financial liabilities are initially recognised when the Scheme becomes a party to the contractual provisions of the instrument.

All the financial assets and financial liabilities are initially recognised at fair value. A financial asset or financial liability which is not recognised at FVTPL, is initially measured at transaction price. Transaction costs of financial assets carried at FVTPL are expensed in the revenue account.

Classification and subsequent measurement of financial assets and financial liabilities

Evaluation of Business Model - classification and measurement of financial assets depends on the results of business model and the solely payments of principal and interest (“SPPI”) test.

Investments at fair value through profit or loss (FVTPL)

All investments are measured at FVTPL. Investments at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognized in the Revenue account. The gain recognized in the Revenue account is included in the ‘Gain on Fair Value Change’ line item and in case of loss recognized in the Revenue account is included in the ‘Loss on Fair Value Change’ line item.

Financial liabilities

Derivative contracts that have a negative fair value are presented as liabilities at FVTPL. Interest expense and foreign exchange gains and losses are recognised in the Revenue account.

De-recognition

The Scheme derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Scheme neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the Scheme enters into transactions whereby it transfers assets recognised on

Notes to Financial Statements for the year ended March 31, 2026

(Amount INR Lakhs)

its Balance Sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

The Scheme derecognises a financial liability when its contractual obligations are discharged or cancelled or expired.

Off-setting financial instruments

Financial assets and liabilities are offset, and the net amount is presented in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

Expected Credit Loss

The Scheme assesses at each date of Balance Sheet whether a financial asset or a group of financial assets is impaired. The Fund recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not classified as FVTPL. ECLs are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the entity in accordance with the contract and the cash flows that the Fund expects to receive). ECLs are discounted at the effective interest rate of the financial asset.

Summary of Material Accounting Policies

(a) Determination of net asset value ('NAV')

The net asset value of the units of the schemes is determined separately for the units issued under the option.

For reporting the net asset value within the portfolio, the Scheme's daily income earned, including realized profit or loss and unrealized gain or loss in the value of investments, and expenses accrued, are allocated to the related option in proportion to their respective daily net assets arrived at by multiplying day-end outstanding units by previous day's closing net asset value.

(b) Unit capital

Unit capital represents the net outstanding units at the balance sheet date, thereby reflecting all transactions relating to the period ended on that date.

Upon issue / redemption of units, the net premium or discount to the face value of units is adjusted against the unit premium reserve of each options, after an appropriate portion of the issue proceeds and redemption payouts is credited/debited to the equalization account, a mandatory requirement for open ended mutual fund schemes.

(c) Investments

Accounting for investments

As per the SEBI Regulations, brokerage and transaction costs (including all taxes) incurred for the purpose of execution of trade is expensed out i.e. charged to Revenue Account instead of Capitalisation. Any payment towards brokerage and transaction costs in excess of 0.12% in case of cash market transaction and 0.05% in case of derivatives transactions is charged to the Revenue account within the maximum limits of Total Expense Ratio of the Scheme. Securities transaction tax paid at the time of execution of trades is not considered to be part of the above limits.

Interest paid / received from the last interest payment date till the date of purchase / sale of investments by the schemes is not included in the cost of purchase / sale of investments. For purchase, the interest is debited to interest accrued but not due account. Similarly, for sale, interest from the last interest payment date up to the date of sale is not treated as an addition to sale value but credited to interest accrued but not due account.

The transaction in foreign mutual fund units is accounted in INR by using conversion rate obtained from RBI / Bloomberg at 3.30 p.m.

Rights entitlements are recognized as investments on the ex-rights date.

Bonus entitlements are recognized as investments on the ex-bonus date.

In respect of privately placed debt instruments, front end discount, if any, is reduced from the cost of the instrument.

Change in fair value of investments is determined separately for each category of investments. The change in the fair value, if any, between two balance sheet dates is recognised in the revenue account. However, gain in fair value change, if any, is transferred to unrealized appreciation reserve in statement of net asset attributable to unit holders.

Valuation of investments

Investments are stated at market / fair value at the Balance Sheet date / date of determination. In valuing the Scheme's investments:

Traded equity shares Preference Share, Equity Warrants, InvIT's / ReIT's and equity related securities are valued at the last quoted closing price on the National Stock Exchange of India Limited (NSE) except for schemes replicating /

Notes to Financial Statements for the year ended March 31, 2026

tracking BSE Indices, wherein the equity securities are valued at the last quoted closing price of Bombay Stock Exchange Ltd. (BSE).. However, if the equity securities are not listed / traded on NSE or as the case may be, they are valued at the last quoted closing price on the exchange where it is principally traded.

When an equity or an equity related security is not traded on any stock exchange on a particular valuation day, the value at which it was traded on principal stock exchange or any other stock exchange as the case may be, on the earliest previous day is used, provided that such day is not more than thirty days prior to the valuation date.

Non-traded / thinly traded equity shares Equity Warrants, InvIT's / ReIT's or equity related securities including those not traded within thirty days are valued at fair value as per procedures determined by Navi AMC Limited which are approved by the Trustee and are in accordance with the guidelines for valuation of securities specified in the Regulations.

Non traded preference shares should be valued in good faith depending upon the type of the preference Share and after considering illiquidity discount if any.

All equity warrants / rights entitlement / partly paid up rights shares are valued after applying appropriate discount, after reducing the exercise price / issuance price from the closing price of the underlying equity security.

In respect of warrants to subscribe for shares attached to instruments, the warrants can be valued similarly to the valuation of the convertible portion of debentures, as reduced by the amount which would be payable on exercise of the warrant. If the amount payable on exercise of the warrants is higher than the value of the share, the value of the warrants should be taken as zero.

On de-merger / Spin off following possibilities arise which influence valuation these are:

- Both the shares are traded immediately on de-merger: In this case both the shares are valued at respective traded prices.
- Shares of only one company continued to be traded on de-merger: Valuation price will be worked out by using cum-price, before demerger reduced for quoted price of the listed resultant company(s).
- Both the shares are not traded on de-merger: Shares of de-merged companies are to be

valued equal to the pre de merger value up to a period of 30 days from the date of de merger. The market price of the shares of the de-merged company one day prior to ex-date can be bifurcated over the de-merged shares. The market value of the shares can be bifurcated in the ratio of cost of shares.

Traded futures and options are valued at the settlement price provided by the respective stock exchanges.

When a future or option is not traded on the respective stock exchange on the date of valuation, then the settlement price / any other derived price provided by the respective stock exchange.

Units of exchange traded funds, which are traded, are valued at the closing traded price on the respective stock exchange (where the ETF is listed) as on the valuation date. Units of unlisted mutual fund schemes and units of listed mutual fund schemes which are not traded are valued at the NAV published on AMFI website as on the valuation date.

Units of overseas ETFs are valued at closing price on the exchange. Prices in foreign currency are converted in Indian Rupees by applying the exchange rate obtained from Bloomberg at 3.30 p.m. as of NAV date.

TREPS and Reverse Repo Upto December 31, 2024 TREPS & Reverse Repos with residual tenor upto 30 days are valued on Cost plus Accrual Interest and with residual tenor of greater than 30 days are valued as per aggregated prices provided by CRISIL LTD & ICRA LTD.

With effect from January 01, 2025 Investments in repurchase (repo) transactions (including tri-party repo i.e., TREPS) except for overnight repos/ Treps shall be valued at the average of security level prices as provided by the valuation agencies, appointed by AMFI i.e. CRISIL LTD & ICRA LTD.

Investments in overnight repurchase (repo) transactions (including tri-party repo i.e., TREPS), and Short-term deposits with banks (pending deployment) shall be valued on cost plus accruals/amortization basis.

When a InvIT /ReIT is not traded on any stock exchange, on the date of valuation, then the previous closing price on NSE / any other Stock Exchange will be used, provided such closing price is not earlier than a period of 30 calendar days. If the InvIT / ReIT security is not traded on any stock exchange for a period of thirty days prior to the valuation date, the scrip must be

(d) Revenue recognition

For listed shares/Mutual Fund units, the dividend income earned by a Scheme is recognised on the date the shares/Mutual Fund units are quoted on an ex-dividend basis. Profit or loss on sale of investments is recognized on the trade date reckoning the weighted average cost and is exclusive of brokerage and transaction charges which are accounted as expenses in the Revenue Account.

In respect of all interest-bearing investments, income is accrued on a day to day basis as it is earned. Therefore, when such investments are purchased, interest paid for the period from the last interest due date up to the date of purchase is not treated as a cost of purchase but debited to Interest Recoverable account. Similarly interest received at the time of sale for the period from the last interest due date up to the date of sale is not treated as a sale value but credited to Interest Recoverable account.

Accrued income considered doubtful is provided for and charged to revenue account.

(e) Expense

All expenses are accounted for on accrual basis.

- The expenses incurred for the New Fund Offer have been borne by the AMC.
- Brokerage and transaction costs including all taxes incurred for the purpose of execution of trades are charged to the Revenue account of the Fund as provided under Regulation 52 (6A) (a) upto 12 bps and 5 bps for cash market transactions and derivatives transactions, respectively. - Expenses which cannot be linked to transaction count are apportioned equally to schemes or based on average AUM of respective schemes for the period of the expense.
- All provisions on non-performing assets are provided for by charge to the revenue account.

Notes to Financial Statements for the year ended March 31, 2026

(Amount INR Lakhs)

(g) Equalization account

Distributable surplus is arrived at after excluding unrealized gains. Balance lying to the credit of Unit Premium Reserve Account is not considered for the purpose of dividend distribution. Where the Unit Premium Reserve has a debit balance, the excess thereof over the unrealized gain is also deducted in arriving at the distributable surplus. Based on the number of units outstanding on the transaction date, the distributable surplus (excluding unit premium reserve, but including balance of distributable surplus at the beginning of the year) associated with each unit is computed. The per unit amount so determined is credited / debited to the equalization account on issue / redemption of each unit respectively.

In the case of an open-ended scheme, when units are sold, an appropriate part of the sale proceeds has been credited to an Equalisation Account and when units are repurchased, an appropriate amount has been debited to an Equalisation Account. The net balance on this account has been credited or debited to the Revenue Account. Accounting policy to compute equalisation has been followed consistently.

(h) Revenue Reserve

Revenue Reserve represents surplus in Revenue account except Unrealised Appreciation amount.

(i) Unrealised Appreciation Reserve

For investments and derivatives, the change in net unrealised depreciation, if any, between two balance sheet dates / date of determination is accounted for through the Revenue Account. The net change in unrealised appreciation, if any, between two balance sheet dates / date of determination is accounted through the Revenue Account and thereafter transferred from the Revenue Account to the unrealised appreciation reserve. Net unrealised appreciation is reduced from distributable income at the time of distribution.

(j) Load

The exit load collected is recognized as income and credited to the scheme in accordance with SEBI circular No. CIR/IMD/DF/21/2012.

(k) Cash and cash equivalent

Cash and cash equivalent includes balance with banks in current accounts, deposits placed with scheduled banks (with an original maturity of up to three months) and collateralized lending.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or reliable estimate of the amount cannot be made, is termed and disclosed as contingent liability. Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies / claim / litigation against Fund as it is not possible to predict the outcome of pending matters with accuracy.

### 27. SEGMENT REPORTING

Navi Mutual Fund operates in one segment only viz. to primarily generate reasonable returns based on the investment objective of the Scheme.

**28.** The following expenses related to mutual fund schemes, which were borne by Navi AMC Limited(“the Company or AMC”), have exceeded the 2 basis points limit of average Assets Under Management (“AUM”) as prescribed under SEBI (Mutual Fund) Regulations 1996 read along with para 10.1.12 of Master circular for Mutual Funds dated June 27, 2024.

This was primarily driven by AMC’s efforts to promote financial inclusion by offering low-ticket investments. While this initiative aligned with its objective of expanding retail participation, certain charges such as intermediary fees, KYC costs and transaction costs, have contributed to the breach. The AMC has voluntarily made a representation to SEBI in this regard and has provided the requisite clarifications and information as sought by the regulator. The Company has also undertaken necessary corrective measures.

1 Financial risk review and management

Risk Management Framework:

The Schemes invest in financial instruments in accordance with their respective investment management strategies. The Scheme's investment portfolio comprises listed equity securities, debt, and money market securities.

The Fund Manager has been given discretionary authority to manage the assets in line with the Scheme's investment objectives. Compliance with the mandated asset allocation mentioned in the Scheme Information Document (SID) and the composition of the portfolio are monitored by the board of directors on a quarterly basis. In the event of deviation from mandated asset allocation due to passive breaches (occurrence of instances not arising out of omission and commission of the AMCs), the AMC is obliged to take actions to rebalance the portfolio within prescribed time limits.

This note presents information about the Scheme's exposure to each of the financial risks.

A. Credit risk, collateral provided and offsetting.

- i. Credit quality analysis
- ii. Concentration of credit risk
- iii. Collateral and other credit enhancements, and their financial effect
- iv. Amounts arising from Expected Credit Loss
- v. Offsetting financial assets and financial liabilities

B. Liquidity risk

C. Market risk

- i. Interest rate risk
- ii. Currency risk
- iii. Other market price risk

D. Operational Risk

E. Capital Management

A. Credit Risk:

'Credit risk' is the risk that a counterparty to a financial instrument will fail to discharge an obligation or commitment that it has entered with the Scheme, resulting in a financial loss to the Scheme. It arises principally from debt securities held, and from derivative financial assets, cash, and cash equivalents, balances due from brokers. For risk management reporting purposes, the Scheme considers and aggregates all elements of credit risk exposure (such as sector risk).

The Scheme's policy over credit risk is to minimize its exposure to counterparties with perceived higher risk of default by dealing only with counterparties that meet the credit standards set out in the Scheme's SID and by taking collateral. The AMC has a specific Credit Risk Policy along with a Credit Exposure Framework outlining the investment guidelines relating to Credit Risk.

Credit risk is monitored daily by the AMC in accordance with the policies and procedures in place. The AMC monitors the limits on a daily basis and reports to the Investment team of any passive breaches. This is also presented in the Investment Committee & Risk Management Committee on a monthly basis along with stress testing results and any other credit related matters like early warning signal, yield triggers etc. The Scheme's credit risk is monitored on a quarterly basis by the board of directors. If the credit risk is not in accordance with the investment policy or guidelines of the Scheme, then the AMC is obliged to rebalance the portfolio within thirty days of each determination that the portfolio is not in compliance with the stated investment parameters.

Management analysis will be used to identify company specific risks. Management's past track record will also be studied. To assess financial risk a detailed assessment of the issuer's financial statements will be undertaken. In the case of securitized debt instruments, the scheme will ensure that these instruments are sufficiently backed by assets.

The Scheme's activities may give rise to settlement risk. 'Settlement risk' is the risk of loss due to the failure of an entity to honor its obligations to deliver cash, securities or other assets as contractually agreed.

i. Credit quality analysis.

The Scheme's exposure to credit risk arises in respect of the following financial instruments:

- Cash and cash equivalents:
- Contract for sale of investment in securities and Derivative financial instruments receivable:
- Securities Lending and Borrowing (SLB):
- Investments in debt and money market securities; and
- Derivative assets

## Disclosures Forming Part of Financial Statements

### Cash and cash equivalents:

The cash and cash equivalents are held with banks and in Tri Party Repo with the Clearing Corporation of India Ltd (CCIL).

### Contract for sale of investment in securities and Derivative financial instruments receivable:

Contract for sale of investment in Securities and Derivative financial instruments receivable represent margin accounts and sales transactions awaiting settlement. Credit risk relating to unsettled transactions is considered small due to the short settlement period involved, settlement of trades through various clearing platforms and pruning of the counterparties used.

### Refer Annexure 1

### Investments in debt and money market securities

As at March 31, 2026, the Scheme was invested in corporate debt and money market securities with the following credit quality. The ratings are provided by credit rating agencies. – **Refer Annexure 2**

### ii. Concentration of credit risk

The AMC reviews the credit concentration of debt and money market securities held based on counterparties and industries.

As at the reporting date, the Scheme's debt and money market securities exposures were concentrated in the following industries. **Refer Annexure 3**

### iii. Collateral and other credit enhancements, and their financial effect

The schemes have not invested in derivative instruments or in Securities Lending and Borrowing contracts.

### iv. Amounts arising from Expected Credit Loss (ECL)

The Scheme continuously monitors all financial assets subject to ECLs. In order to determine whether an instrument is subject to 12-month ECL (12mECL) or lifetime ECL (LTECL), the Scheme assesses whether there has been a significant increase in credit risk or the asset has become credit impaired since initial recognition. The Scheme applies following quantitative and qualitative criteria to assess whether there is significant increase in credit risk, or the asset has been credit impaired.

- Historical trend of collection from counterparty
- The Scheme's contractual rights with respect to recovery of dues from counterparty
- Credit rating of counterparty and any relevant information available in public domain

ECL is a probability weighted estimate of credit losses. It is measured as the present value of cash shortfalls (i.e. the difference between the cash flows due to the Scheme in accordance with contract and the cash flows that the Scheme expects to receive).

The Scheme has following types of financial assets that are subject to the expected credit loss:

- Contract from sale of investment in securities.
- Cash and cash equivalent.
- Balance with Bank
- Switch in receivable.

Based on the experience, the AMC expects to receive these amounts in full.

### v. Offsetting financial assets and financial liabilities

Financial assets and financial liabilities are offset, and the net amount presented in the balance sheet when, and only when, the scheme currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously. The Scheme has not offset any financial assets and financial liabilities during the year.

### B. Liquidity risk

'Liquidity risk' is the risk that the Scheme will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

The Scheme's policy and the AMC's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stress conditions, including estimated redemptions of units, without incurring unacceptable losses or risking damage to the Scheme's reputation.

## Disclosures Forming Part of Financial Statements

The Scheme's investments in listed securities are considered to be readily realizable because they are traded on major stock exchanges in India.

The Scheme's liquidity risk is managed daily by the AMC in accordance with the policies and procedures in place. The AMC has a Liquidity Risk management policy in place which outlines the investment guidelines & the risk management procedures.

The Scheme's overall liquidity risk is monitored daily by the AMC.

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted and include estimated interest payments. Refer **Annexure 4**

### C. Market risk

'Market risk' is the risk that changes in market prices – e.g. interest rates, equity prices and credit spreads – will affect the Scheme's income or the fair value of investment held.

The Scheme's strategy for management of market risk is driven by the Scheme's investment objective. **Refer Note No. 17 in this regard.**

The Scheme's market risk is managed daily by the AMC in accordance with the policies and procedures in place. The AMC has Credit Risk, Liquidity Risk, Stress Testing & Investment policies which cover the scheme's market risk along with management thereof. The Scheme's market positions are monitored daily by the AMC.

### i. Interest rate risk

The Scheme is exposed to the risk that the fair value or future cash flows of its investment will fluctuate because of changes in market interest rates. In respect of the Scheme's interest-bearing financial instruments, the Scheme's policy The AMC has Credit Risk, Liquidity Risk, Stress Testing & Investment policies which cover the schemes Interest risk along with management thereof.

The internal procedures require the AMC to manage interest rate risk on an ongoing basis in accordance with the policies and procedures in place. If the interest rate risk is not in accordance with the investment policy or guidelines of the Scheme, then the investment manager is required to rebalance the portfolio.

### Exposure to interest rate risk

A summary of the Scheme's interest rate gap position, analysed by the earlier of contractual re-pricing or maturity date – **Refer Annexure 5**

### Sensitivity analysis

The sensitivity analysis reflects how net assets attributable to unit holders would have been affected by changes in the relevant risk variable that were reasonably possible at the reporting date.

Management has determined that a fluctuation in interest rates of 135 basis points is reasonably possible, considering the economic environment in which the Scheme operates. The Annexure referred below sets out the effect on the Scheme's net assets attributable to holders of unitholder of a reasonably possible increase of 135 basis points in interest rates at March 31, 2026. The impact of such an increase has been estimated by calculating the fair value changes of the debt and money market securities, less liabilities and derivatives held at March 31, 2026. The impact is primarily from the decrease in the fair value of debt and money market securities. This analysis assumes that all other variables, in particular foreign currency rates, remain constant.

### Refer Annexure 6

### ii. Currency risk

Schemes with investments in overseas securities are susceptible to currency risk. The risk arises when the fund engages in transactions denominated in foreign currencies, exposing it to fluctuations in exchange rates. Specifically, currency risk emerges as the value of future transactions, recognized monetary assets, and liabilities denominated in foreign currencies fluctuates due to changes in foreign exchange rates. As the scheme does not hedge any currency risk, the scheme's overseas investments continues to be exposed to the fluctuations in exchange rates.

### Refer Annexure 6

### iii. Exposure to other market price risk

'Other market price risk' is the risk that the fair value of the financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether caused by factors specific to an individual investment or its issuer or factors affecting all instruments traded in the market.

Price risk is managed by the AMC by diversifying the portfolio and economically hedging using derivative financial instruments such as options or futures contracts. Apart from SEBI investment limit restrictions, the AMC has devised its own prudent internal limits to manage risks.

The internal procedures require the AMC to manage price risk on an ongoing basis.

## Disclosures Forming Part of Financial Statements

If the price risk is not in accordance with the investment policy or guidelines of the Scheme, then the AMC is required to rebalance the portfolio.

The Annexure sets out the concentration of the investment assets and liabilities, excluding derivatives held by the Scheme as at the reporting date. **Refer Annexure 7**

### D. Operational risk

‘Operational risk’ is the risk of direct or indirect loss arising from a wide variety of causes associated with the processes, technology and infrastructure supporting the Scheme’s activities with financial instruments, either internally within the Scheme or externally at the Scheme’s service providers, and from external factors other than credit, market and liquidity risks such as those arising from legal and regulatory requirements and generally accepted standards of investment management behaviour.

The Scheme’s objective is to manage operational risk so as to balance the limiting of financial losses and damage to reputation with achieving their respective investment objective of generating returns to investors.

The primary responsibility for the development and implementation of controls over operational risk rests with the AMC. This responsibility is supported by the development of overall standards for the management of operational risk, which encompasses the controls and processes at the service providers and the establishment of service levels with the service providers, in the following areas:

- documentation of controls and procedures.
- requirements for:
- appropriate segregation of duties between various functions, roles and responsibilities.
- reconciliation and monitoring of transactions; and
- periodic assessment of operational risk faced.
- the adequacy of controls and procedures to address the risks identified.
- compliance with regulatory and other legal requirements.
- development of contingency plans.
- training and professional development.
- ethical and business standards; and
- risk mitigation, including insurance if this is effective.

The AMC’s assessment of the adequacy of the controls and processes in place at the service

providers with respect to operational risk is carried out via regular and ad hoc discussions with the service providers and a review of the service providers’ ISAE-3402 reports on internal controls, that are available, System & Cybersecurity Audit Reports.

Substantially all the assets of the Scheme are held by the two custodians HSBC and HDFC BankThe bankruptcy or insolvency of the Scheme’s custodian may cause the Scheme’s rights with respect to the securities held by the custodian to be limited. The AMC monitors the credit ratings and capital adequacy of its custodian on a Half Yearly basis, and reviews the findings documented in the ISAE-3402 Audit report on the internal controls System and Cybersecurity Audit Reports as per their respective periodicity.

### E. Capital Risk Management

The Scheme considers its net assets attributable to unit holders as capital. The amount of net assets attributable to unitholders can change significantly daily as the Scheme is subject to daily applications and redemptions at the discretion of unitholders.

Daily applications and redemptions are reviewed relative to the liquidity of the Scheme’s underlying assets daily by the AMC.

## 2 Fair Value of Financial Instruments:

### A. Fair Value Hierarchy:

As per Ind AS 113, ‘Fair Value Measurement’, the fair values of the financial assets or financial liabilities are defined as the price that would be received on sale of asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that is either observable or unobservable. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities and lowest priority to unobservable inputs.

The hierarchy used is as follows:

- Level 1 — Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 — Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices). Investment in all mutual fund schemes is included in Level 2.

## Disclosures Forming Part of Financial Statements

- Level 3 — Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

### B. Accounting classification and fair valuation:

The Annexure shows the fair values or carrying value of investment including their levels in the fair value hierarchy. **Refer Annexure 8**

The Annexure shows the carrying amount of financial assets and financial liabilities other than those carried at FVTPL. **Refer Annexure 9**

### C. Valuation Techniques and significant unobservable inputs:

The following table shows the valuation techniques used in measuring level1, level 2 and level 3 fair values for financial instruments measured at fair value in the balance sheet, as well as significant unobservable inputs used.

| Level   | Type                                                                                | Valuation Technique                   | Significant observable inputs | Inter-relationship between significant unobservable inputs and fair value measurement |

### D. Fair value measurement using significant unobservable inputs (level 3)

During the perid , there were no purchase or sale of Level 3 securities where fair value measurements were applied.

### E. Transfer of financial asset between level

There were no transfers from Level 1 to Level 3 and Level 2 to Level 3 or in either direction during the year ended March 31, 2026 and March 31, 2025 respectively.

## 3 Transferred financial assets that are not derecognised in their entirety.

### Security Lending and Borrowing

Security Lending and Borrowing are transactions in which the Scheme sells a security and simultaneously agrees to repurchase it (or an asset that is substantially the same) at a fixed price on a future date. The Scheme continues to recognize the securities in their entirety

in the Balance Sheet because it retains substantially all the risks and rewards of ownership. The cash consideration received is recognized as a financial asset and a financial liability is recognized for the obligation to pay the repurchase price. Because the Scheme sells the contractual rights to the cash flows of the securities, it does not have the ability to use the transferred assets during the term of the arrangement.

The schemes had no exposure to Security Lending and Borrowing during the year ended March 31, 2026 and March 31, 2025 respectively.

## 4 Segment Reporting

The Scheme is primarily engaged in the business of investing amounts received from investors, in accordance with their investment objectives to generate returns. Since there is only one business segment and no geographical segments, the segmental reporting disclosures as required by IND AS 108 “Operating Segments” are not required to be made.
